Red Level

Age 4-7

Tiny Aces: Future stars start here!

Spark a love for tennis and active play! Our dynamic course uses fun drills and games to build agility, balance, and coordination. Pint-sized athletes learn core strokes on smaller courts, getting them playing immediately and discovering the joy of movement.

Racquet Size: 17-23" | Court Size: 36 ft.

Little Champs

Age 3-10

Our most requested program is back! Individualized 30-minute private sessions with our experienced instructors, designed specifically to accelerate every future champion's game. When offered, sign-ups are first-come, first-serve during available times. This is the perfect companion to all of our 10 & Under classes, giving your child the personalized edge they need to shine!

Orange Level

Age 8-10

Ready for the next level? Our Orange classes sharpen core skills on 3/4 size courts with low-compression balls. Players rapidly develop their serve, rally, scoring, and net play. As skills blossom, athletes transition into increasingly competitive groups, setting the stage for bigger courts and bolder plays.

Racquet Size: 23-25" | Court Size: 60 ft.

Green Level

Age 9-10

Green Ball Mastery: Command the full court Ready for real tennis and competitive play? Our Green classes are where players step onto the full 78-foot court. Here they master faster paced action with green dot balls. This is perfect for honing technique and executing basic tennis tactics. This is where the game comes alive! Match play is introduced and highly encouraged, building competitive confidence and preparing athletes for the excitement of tournament play.

Racquet Size: 25-27" | Court Size: 78 ft.
